Re: Notice of Proposed Rate Change For Interstate Natural Gas Company,  
Case No. 2006-00122

Dear Ms. O'Donnell:

Interstate Natural Gas Company ("Interstate") is in receipt of the Initial Data Requests of Commission Staff in the referenced proceeding. By letter dated May 26, 2006, Interstate requested an extension of time through June 20, 2006, to submit its responses to these requests. That extension was granted by the Commission by Order dated June 9, 2006.

Interstate must now, reluctantly, request a further extension of time in this matter. While the responses are very nearly complete, it is clear that they cannot be fully completed and checked for accuracy by June 20, 2006. For this reason, Interstate respectfully requests a further extension of time to June 26, 2006, to respond to these requests.

Your cooperation is greatly appreciated.

Sincerely,

Morris Kennedy
